C:\Users\peter>Tuya Light
```

First I tried the Master and later on the Light version, downloaded en Unzipped them but no luck,

I don't know whats wrong but it seems there is missing something.

Best regards Peter.

Okay i try to fix it this night myapp.js has wrong path

Peter_van_Werkhoven**2h**

Okay Dylan that's why than, good luck with fixing and I'll wait until you are ready and try again.

Thanks and success Peter.
